Mr. West,

On behalf of The Orange County Public School Social Work In-Service Committee, I would like to thank you for presenting at our monthly social worker in-service. We really enjoyed your presentation on **Beating Bullies with Positive Peer Pressure and Socialization!** We learned a great deal from you and the information is very useful in our every day interaction with our students.

We truly appreciate you taking the time to come out to UCF and present for us. We received a lot of positive feedback regarding your presentation. We look forward to working with you for future endeavors.

Best Regards,
